1	Film all along contains dialogues referred to Kannadiga. Kannada Language but supporting background visuals are in Tamil language. This is very sensitive issue as dialogues and visuals wont tally and contradictory (says Kannada but Tamil scripts are focused...visuals of shop name plates, letters, or books...) Hence it is suggested that either to make all background visuals in Kannada or retain background in Tamil and not to make any reference to Kannadiga, Kannada or Karnataka in dialogues.	00.00	00.00	00.00
